Proposed Amendment #3

Agenda No. 2024-022

§ 52.41. Meter charges.

- (a) A monthly readiness-to-serve charge based on the meter size at the rates set forth in this section shall be payable each month by each particular customer in whose name the service is furnished in addition to the charge for the water supplied through the meters at the rates per unit (100 cubic feet) set forth in this section. All rates that appear in this section are solely for water charges. The responsibility for sewer charges which are billed by ~~eCity w~~Water, ~~l~~Light, and ~~p~~Power are that of the office of public works (sewer revenue fund) and the ~~Springfield Sanitary~~Sangamon County Water Reclamation District. Service policies apply equally to sewer service customers.
- (b) Water supplied through meters to customers in the city shall be at the following rates for customers with $\frac{5}{8}$ -inch and $\frac{3}{4}$ -inch meters:

First 500 cubic feet per month, per 100 cubic feet	\$ 1.14 <u>1.64</u>
Next 500 cubic feet per month, per 100 cubic feet	1.83 <u>2.64</u>
All over 1,000 cubic feet per month, per 100 cubic feet	1.90 <u>2.74</u>

Water supplied through meters to customers in the city shall be at the following rates for customers with one-inch and larger meters:

First 500 cubic feet per month, per 100 cubic feet	\$ 1.85 <u>2.67</u>
Next 99,500 cubic feet per month, per 100 cubic feet	1.85 <u>2.67</u>
All over 100,000 cubic feet per month, per 100 cubic feet	1.85 <u>2.67</u>

- (c) A meter-size readiness-to-serve charge per month for customers in the city shall be made as follows:

Size of Meter (inches)	Monthly Charge
$\frac{5}{8}$	\$ 4.58 <u>6.60</u>
$\frac{3}{4}$	8.57 <u>12.35</u>
1	18.69 <u>26.94</u>
1 $\frac{1}{4}$	26.43 <u>38.10</u>
1 $\frac{1}{2}$	33.07 <u>47.67</u>
2	50.31 <u>72.52</u>
3	89.04 <u>128.35</u>
4	150.70 <u>217.23</u>

10	791.33 <u>1140.65</u>
12	994.81 <u>1433.96</u>

Any customer in the city whose meter was upgraded from a 5/8-inch meter to a 3/4-inch meter without the customer's consent shall only be required to pay the 5/8-inch meter charge. Customers who have a 3/4-inch meter, but are only required to pay the 5/8-inch meter charge, may also apply to the office of public utilities for a rebate of the difference between the 3/4-inch meter charge and the 5/8-inch meter charge.

- (d) Water supplied through meters to customers outside the city, including customers in the Village of Southern View, shall be at a ratio of 130% to the rates and meter-size readiness-to-serve charges of customers inside the city.
- (e) Charges for water supplied through meters to customers outside the city, residing in the Village of Southern View, shall be subject to a 5% municipal utility tax levied on water service by the Village of Southern View. City water, light and power computes this tax as part of the water charges to a customer residing in the Village of Southern View, and collects and pays to Southern View, this municipal utility tax.
- (f) Water customers outside the city, residing in the Village of Southern View, will be assessed an additional \$0.50 per month, which represents a service charge to defray the City of Springfield's costs to compute, collect and pay the village's municipal utility tax.
- (g) Where a temporary service is rendered, it shall be metered if city water, light, and power department finds it feasible, and in addition to the regular rates applicable thereto, the customer shall be charged the applicable cost for installation and removal of the service and the customer shall make a deposit equal to the replacement cost of each meter, which deposit shall be refunded to the extent that each meter is found to be undamaged upon its removal and return.
- (h) The Oak Ridge Cemetery lying outside the city limits shall be charged the same rates for water as is now charged inside the city.
- (i) All rates and charges specified in subsections (b) and (c) above shall be adjusted upward on each of the following dates by each of the following percentages:
~~March 1, 2009: 17.0%~~ March 1, 2024: 32.0%
~~March 1, 2010: 12.0%~~ March 1, 2025: 32.0%
- (j) Beginning March 1 2026, and for every March 1 thereafter, the charges shown in subsections b and c above shall be further adjusted for the change in the annual Consumer Price Index (CPI) for the Water, Sewer, and Trash CPI-U (CUSR0000SEHG) plus 1% rounded to the nearest tenth of one percent. The CPI factor to be applied shall not be less than zero. Provided, 1% nor shall it exceed 4%.
